

## Year 4 Topic - Creature Climates

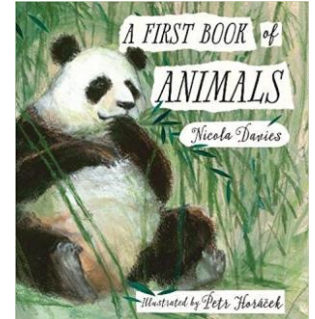

**Hook:** Trip to Marwell Zoo for a workshop on Endangered Animals

### Writing outcomes:

An **information** guide on polar bears

A commentary **describing** a chosen animal hunting

A poem **describing** the nurturing relationship between animal parents and their young in the style of Nicola Davies

A **persuasive** leaflet to encourage purchases of badges in the badge sale to raise money for WWF

### Learning opportunities:

**Located** different climate zones of the world on a map and globe  
**Explored** how animals are adapted to different biomes around our globe.

**Measured** and recorded average rainfall for different climate zones.

**Designed and created** a moving animal toy applying our electrical circuit learning from our Science lessons

### Visits:

Marwell Zoo

# Marwell Zoo

### End Goal:

A badge sale to raise money for WWF to support the conservation of endangered species
