Dear Parent/Carer,

The Government Childhood Plan has set out the ambition for all children to achieve one hour of physical activity every day, with schools being responsible for delivering 30 of these active minutes.

At Red Barn, the Sports Crew will be closely monitoring the number of steps each class has taken each day as part of our new 'Active 30' initiative after half-term. The Sports Crew would like to invite children at Red Barn Primary School to design an 'Active 30' passport for each class to record their results on. Two winning designs (one in Key Stage 1 and one in Key Stage 2) will be used for this year's 'Active 30' passport. These results will then be calculated by the Sports Crew by Friday lunchtime to find which class in Key Stage 1 and Key Stage 2 has recorded the most steps for that specific week. A small trophy will be awarded during celebration assembly to those classes in each key stage which have completed the most combined number of steps for the week.

If you wish to take part in this competition please design your 'Active 30' passport on a sheet of A4 paper and return it to school by **Friday 2nd February 2018** with your child's name and class written on the back. Good luck!

Yours sincerely,

The Red Barn Sports Crew
